

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Set Public Hearing for April 18, 2001 to introduce Ordinance for the implementation of a Market Cost Adjustment mechanism

MEETING DATE: March 21, 2001

PREPARED BY: Electric Utility Director

RECOMMENDED ACTION: That the City Council set a public hearing for April 18, 2001 and by ordinance approve a Market Cost Adjustment policy and mechanism.

BACKGROUND INFORMATION: The City of Lodi's historical power purchase strategy has been to be in a partial deficit energy position in the winter season. This strategic position has been very successful because the price for power on the spot and short-term market was generally very low during this period. The gas and electric energy market has seen dramatic volatility in recent months and has caused the City of Lodi to take various mitigation strategies. The nature of the market situation has caused the cost of purchased energy to be significantly higher than originally budgeted, although without the mitigation strategies would have been much more severe. It is anticipated that the market will improve, but should remain volatile for at least two more years.

The Market Cost Adjustment will allow the Electric Utility Department to better follow the market and to capture both recent under-collections and future costs. This mechanism would be adjusted on a quarterly basis and would utilize an approved formula. The formula will reflect a true up of prior costs and a rolling twelve-month projection of purchased power costs. The mechanism is designed to minimize spikes to the adjustment rates. It is anticipated that the adjustment may go up or down depending on the various short and long-range strategies the City of Lodi elects to employ and the state of the power market at the that time.

NOTICE OF PUBLIC HEARING
APRIL 18, 2001

NOTICE IS HEREBY GIVEN that on Wednesday, April 18, 2001 at the hour of 7:00 p.m., or as soon thereafter as the matter may be heard, the City Council will conduct a Public Hearing at the Carnegie Forum, 305 West Pine Street, Lodi, to consider the introduction of an ordinance (as described below) for the implementation of a Market Cost Adjustment Policy and Mechanism.

PROPOSED ORDINANCE:
SECTION 1. Lodi Municipal Code Chapter 13.20 - Electrical Service, Article III. Rates, is hereby amended by adding Section 13.20.175 - Schedule MCA - Market Cost Adjustment as follows:

SCHEDULE MCA - MARKET COST ADJUSTMENT

APPLICABILITY:

When in effect, this schedule is applicable to all areas served by the City and to all kilowatt-hours billed under all rate schedules as defined under the special conditions of the rate schedules labeled Purchased Power Adjustment.

PURPOSE:

Generally, power supply costs will be recovered through application of the base rates. In the event that substantial changes in projected power supply costs occur, either increases or decreases, the Market Cost Adjustment Billing Factor will be activated to provide for increases or decreases in the City's charges for electric service. The Electric Utility Director shall develop and recommend a MCA Billing Factor to be effective on a specified date for the approval of the City Council.

APPLICATION OF MARKET COST ADJUSTMENT:

When applicable, the Market Cost Adjustment Billing Factor (MCABF) for a particular rate schedule as designated in the attached MCABF table, in cents per kWh, shall be applied to kilowatt-hours sold on and after the effective date, and continuing thereafter until the next base rate change or until a revision to the Market Cost Adjustment Billing Factor becomes effective. The dollar amount to be added to or subtracted from each bill due to the Market Cost Adjustment shall be obtained by multiplying the number of kilowatt-hours for which the bill is rendered by the applicable Market Cost Adjustment Billing Factor.

CALCULATION OF THE POWER COST ADJUSTMENT BILLING FACTOR:

1. When the Electric Utility Director deems that substantial changes in power supply costs have occurred relative to the costs included in base rates, the Market Cost Adjustment Billing Factor shall be activated following the approval of the City Council.
2. The Billing Factor shall remain in effect until the next base rate change or until a revision to the Billing Factor is necessary.
3. While the Billing Factor is activated, a Market Cost Adjustment account shall be maintained. Entries into this account shall be:
 - a. The balance from the previous month;
 - b. The increase or decrease in charges for electric service billed using the applicable Billing Factor; and
 - c. Any interest accruing to the account.
4. The MCA Billing Factor shall be designed by giving consideration to the following factors:
 - a. Rate stability is desirable and frequent changes in the MCA Billing Factor are undesirable.
 - b. The financial integrity of the Electric Utility Department shall be maintained by applying a MCA Billing Factor, when necessary, to ensure that the Electric Utility Department does not overcollect or undercollect the revenue required for sound financial operation.

5. The Electric Utility Department shall furnish to the City Council a notice of any proposed activation or change in the MCA Billing Factor. Any activation or change in the MCA Billing Factor requires approval by the City Council.
6. The Electric Utility Department generally shall make the MCA Billing Factors effective as of the first day of the appropriate month. Adjustments to the MCA shall be no more frequent than quarterly and no less than semi-annually.

MARKET COST ADJUSTMENT BILLING FACTOR		
The Market Cost Adjustment Billing Factor by designated rate schedule, in cents per kilowatt-hour, shall be shown in this Section. Certain classes may have a tiered MCABF by level of monthly consumption.

Section 2. - No Mandatory Duty of Care. This ordinance is not intended to and shall not be construed or given effect in a manner which imposes upon the City, or any officer or employee thereof, a mandatory duty of care towards persons or property within the City or outside of the City so as to provide a basis of civil liability for damages, except as otherwise imposed by law.

Section 3. - Severability. If any provision of this ordinance or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the ordinance which can be given effect without the invalid provision or application. To this end, the provisions of this ordinance are severable. The City Council hereby declares that it would have adopted this ordinance irrespective of the invalidity of any particular portion thereof.

SECTION 4. All ordinances and parts of ordinances in conflict herewith are repealed insofar as such conflict may exist.

SECTION 5. This Schedule MCA - Market Cost Adjustment shall be effective on applicable electric utility billings prepared by the City of Lodi on or after June 1, 2001.

Information regarding this matter may be obtained in the office of the Electric Utility Department Director, 1331 South Ham Lane, Lodi, California. All interested persons are invited to present their views and comments on this matter. Written statements may be filed with the City Clerk at any time prior to the hearing scheduled herein, and oral statements may be made at said hearing. If you challenge the subject matter in court, you may be limited to raising only those issues you or someone else raised at the Public Hearing described in this notice or in written correspondence delivered to the City Clerk, 221 West Pine Street, Lodi, California at or prior to the Public Hearing.
